

# Business and Service Directory

St. Paul's has developed a Business and Service Directory available on the church website. It will include names and contact information of church members who own businesses and/or provide services. Our goal is to create a church community tool linking St. Paul's members looking for goods and services with other members providing those goods and services.

If you are interested in being included in this directory, you may complete this form and mail to the church office at P.O. Box 80307, Rochester, MI 48308. Thank you for your interest in our program.
