

Summer Service Opportunity

100 ACTS of SERVICE

COVID-19 has led to many people and organizations needing extra help. While we are social distancing, let's connect through kindness. The goal of this project is to make a difference in our community through one hundred acts of service that we can complete from our homes.

Join us this summer as we **#connectthroughkindness**

The Plan

1. Think about who you want to help and what kind of act you want to do for them. Starter ideas:

<http://www.stpaulsrochester.org/index.php/local-volunteer-opportunities/>

2. Complete your act of kindness/service between June 14 and July 31.

3. Take a photo or video that shows you or your family making a difference in the community.

4. Post photo/video to your social media using the # and inspire others to take action.

5. Share your video/photos with jodi@stpaulsrochester.org.

Questions? Email Jodi@stpaulsrochester.org or Amy@stpaulsrochester.org.
